FOREWORD

In compliance with the provisions of the laws of the State of Arkansas, there is submitted herewith the biennial report of the State Department of Education acting as the executive agency for the State Board of Education.

The 1955 Statistical Summary for the Public Schools of Arkansas represents a compilation of pertinent data concerning our Public Schools as well as other State Educational Agencies for the biennium July 1, 1952, through June 30, 1954.

This Statistical Summary has been prepared for the use and information of the Governor, members of the General Assembly, school officials, patrons, and others interested in education in the State of Arkansas.

The maintenance of accurate records is an indispensable aid in long range planning. The State Department of Education has made every effort to improve and to validate our system of records.

A. W. FORD,
State Commissioner of Education.
